Admission Policy – 2023-2024

Policy and Numbers

Students will be admitted at age 11 without reference to ability or aptitude. There is no charge relating to the admission of students. The school's admission policy offers no guarantee of places.

The Pupil Admission Number (PAN) for the year commencing September 1st, 2023 will be 280. All admissions will be administered by use of the criteria detailed below.

Over Subscription

All schools must admit any child with an EHCP that names the school directly.

Where applicants for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

1. "Looked after children – children in public care", as required by the Education (Admission of Looked after Children) (England) Regulations 2006. First priority for admission shall be given to relevant looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation or any other provider of care whose sole or main purpose is to benefit society. *See note below

2. Where a child has a brother/sister, half brother/sister (where the children share one common parent), step brother/step sister or fostered/adopted sibling living at the same home address (i.e. the genuine principal place of residence where they normally and regularly live) and who will be still attending Windsor High School and Sixth Form in September 2023. **See note below

3. Proximity of the child's home to the school, measured in a straight line from the front door of the home (or main entrance to flats) to the main gate of the school, with those living nearest accorded the higher priority. ***See note below

Note

** An adoption order is an order under section 46 of the Adoptions and Children Act 2002. A Child Arrangement Order is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a special guardianship order as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

*** Where parents have a shared responsibility for a child and the child lives with both parents for part of the school week, then the home address will be determined as the address where the child lives for the majority of the school week (i.e. three out of the five days). Parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.*

**** In all cases the 'proximity' criterion (the last named priority) is to be used as a tie breaker should the school be oversubscribed with applicants under criteria with a higher priority. For example, if the school were to be oversubscribed with siblings only (second priority), the proximity criterion would dictate who would gain admission. Parents or guardians might be asked to submit evidence in support of their application; fraudulent information used at that*

time can lead to the withdrawal of a place and further children might be affected. In the event that we are unable to distinguish between applicants for the final available place, such as in the case of children who live in the same block of flats, then the final place will be randomly selected by drawing lots. The 'home' address to be used will be the current one at the time places are allocated and the one that parents either own or rent.

Special conditions will apply in the event that one child from a multiple birth does not gain admission to the school through the admissions criteria; in this instance the school governors will exceed the admission number for the family concerned to prevent separation of such children.

Year 7 admissions for September entry will be administered on behalf of the Governors of Windsor High School and Sixth Form by Dudley LA (Admissions Service) using the criteria outlined above.

Appeals

Appeals regarding admissions will be considered by an Independent Appeals panel.

Late Applications

Preferences that are received after the closing date for receipt of applications will only be considered after applications that were received within the deadline have been dealt with.

There will, however, be exceptional circumstances in which a late application will be considered alongside those applications that were made within the deadline. Where exceptional circumstances are such that the parent could not have reasonably submitted the application within the deadline, the applicant will be considered alongside all other applicants.

In each circumstance supportive documentary evidence must be provided by the parent/carer at the time of application.

Unsuccessful late applications will be added to the waiting list in accordance with the admissions criteria.

Waiting Lists

If the school is oversubscribed and students have been refused admission because other students have a higher priority for admission under the published admissions criteria, then parents may request to be added to a waiting list.

Children on the waiting list will be ranked in accordance with the schools published admissions criteria and the list will operate from the point of allocation of places until July 31st 2024. After July 31st 2024 the waiting list will no longer be in operation. Dudley LA will operate this waiting list on behalf of the school.

Inclusion on the waiting list does not mean that a place will eventually become available.

A child's position on the waiting list is not fixed and is subject to change during the year i.e. they can go up or down the list.

Places that become available below the published admissions number or any number that the school agree that they can admit from March 2023 will be offered to students according to their ranking on the list i.e. those ranked highest will be offered first.

Dudley LA (Admissions Service) will also help co-ordinate any In Year Admissions on behalf of the school.

Sixth Form Admissions Policy 2023/2024

It is our aim, when considering applications, to accept students onto a curriculum which will suit their learning style and encourage them to flourish academically. Judgements and offers will be made on an appropriate level of prior academic achievement and a positive attitude/aptitude for learning.

The Student Admission Number (PAN) for the year commencing September 1st, 2023 will be 180. All admissions will be administered by use of the criteria detailed below.

Method of Application:

Prospectuses and application forms will be published during the Autumn Term each year. All current Windsor students will be invited to an Open Evening and the event will be marketed locally and on the school website. Prospectuses and application forms will be specifically issued to:

- All current Year 11 Windsor students
- Students visiting from other education establishments
- Those making specific requests by contacting the school

Information, advice and guidance meetings are set up for every prospective Sixth Form student, with their parents, to provide expert professional support at a critical time of decision.

Entry Criteria for Courses:

Students need to demonstrate evidence of a positive, self-motivated approach to learning and a minimum of 5 GCSEs at grade 9 – 4 (or equivalent grades) including English and Maths.

Individual courses may have subject-specific GCSE requirements for entry - these are outlined fully in the prospectus each year.

Students who do not meet the entry criteria can discuss the courses that they want to follow with the Director of Sixth Form and may be given permission to join in exceptional circumstances.

Applications From Students Not Currently Studying in Year 11 at Windsor High School and Sixth Form:

Each year a number of students can join our Sixth Form from other schools. Applications are welcomed from such students who wish to continue their studies at Windsor High School and Sixth Form. The application process and entry requirements will be identical for both internal and external applicants.

Our admission number for external applications is a minimum of twenty.

All schools must admit any child with an EHCP that names the school directly.

Where over-subscribed we will give priority to applicants as follows:

1. "Looked after children – children in public care", as required by the Education (Admission of Looked after Children) (England) Regulations 2006. First priority for admission shall be given to relevant looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. A child is regarded as having been in state care outside of England if they

were in the care of or were accommodated by a public authority, a religious organisation or any other provider of care whose sole or main purpose is to benefit society. (* See note below)

2. Where a child has a brother/sister, half brother/sister (where the children share one common parent), step brother/sister or fostered/adopted sibling living at the same home address (i.e. the genuine principle place of residence where they normally and regularly live) and who will be attending Windsor High School and Sixth Form in September 2023. ** See note below

3. Proximity of the child's home to the school, measured in a straight line from the front door of the home (or main entrance to flats) to the main gate of the school, with those living nearest accorded the higher priority. ***See note below

**An adoption order is an order under section 46 of the Adoptions and Children Act 2002. A Child Arrangement Order is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a special guardianship order as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

***Where parents have a shared responsibility for a child and the child lives with both parents for part of the school week, then the home address will be determined as the address where the child lives for the majority of the school week (i.e. three out of the five days). Parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.*

**** In all cases the 'proximity' criterion (the last named priority) is to be used as a tie breaker should the school be oversubscribed with applicants under criteria with a higher priority. For example, if the school were to be oversubscribed with siblings only (second priority), the proximity criterion would dictate who would gain admission. Parents or guardians might be asked to submit evidence in support of their application; fraudulent information used at that time can lead to the withdrawal of a place and further children might be affected. In the event that we are unable to distinguish between applicants for the final available place, such as in the case of children who live in the same block of flats, then the final place will be randomly selected by drawing lots. The 'home' address to be used will be the current one at the time places are allocated and the one that parents either own or rent.*

All of the above applicants must meet the Entry Criteria. In the event of the school being oversubscribed in any of the above criteria, places will be offered to those living nearest the school as measured in a direct line distance from the home to the school.

Applicants refused admission to our Sixth Form are entitled to appeal to an Independent Appeals Panel.
