Forestry Worker

[Click here to watch videos](#)

Forestry workers manage trees, plants, and the environment in forests and woodland.

Entry routes:

There is no set route, but it may be helpful to:

- have school leaver qualifications, like GCSEs, National 5s, BTECs, Brevet, or a high school diploma
- gain a qualification in forestry, perhaps through college or an apprenticeship
- get some volunteering experience with a woodland or wildlife charity

Forestry and elementary agricultural salaries:
£19,440-£25,353

Environment: You'll spend most of your time working outdoors in the countryside or woodland in all weathers. You may spend some of your time travelling between different sites.

Environmental professionals:

UK growth: +104.2% an increase in 481,736 jobs from 2020-2035

West Midlands growth:
+97.8% an increase of 47,060 jobs from 2020-2035
