Dear Parent/Carer

You will have noted from previous communications that our school has recently been through an Ofsted inspection. I am now thrilled to be able to share the report in full and offer some headlines that can be found within it.

In 2016 we were pleased that our school was deemed to offer a “good” education to our students. In our recent Ofsted inspection we were even more pleased that the outcome was noted as:

*“Windsor High School and Sixth Form continues to be a good school. There is enough evidence of improved performance to suggest that the school could be judged outstanding if the inspectors were to carry out a section 5 inspection now”.*

In short, we received the highest grade possible from the Section 8 inspection that was carried out. Here is a flavour of some of the highlights that you might read:

*“Pupils at Windsor High School and Sixth Form flourish.”*

*“Leaders set high expectations of what pupils can achieve academically and socially. Pupils realise these expectations.”*

*“Pupils value the school’s open and diverse culture. They say ‘the school teaches us to respect difference’.”*

As parents and carers, you might be pleased to note:

*“Pupils feel safe in school. They are not worried about bullying.”*

*“The school is always calm and orderly.”*

You will know that as a school, we endeavour to maximise both the academic and personal potential of our students. Consequently, we were pleased that the inspection team recognised:

*“A strength of the school is the rich set of experiences it offers for pupils beyond the classroom.”*

*“The school prepares pupils well to become respectful, active citizens who contribute to society.”*

*“The school’s work to promote pupils’ personal development is a strength.”*

Finally, and arguable most importantly:

*“The arrangements for safeguarding are effective.”*

*“There is a strong safeguarding culture in the school. Adults take pupils’ welfare seriously.”*

*“Pupils receive a high quality of pastoral care.”*

Clearly, the report has a great deal more detail and you may want to read it in full. It can be found on the official Ofsted website by clicking the following link.

This report is a testament to all the hard work and dedication that is shown everyday by the staff in the school and the excellent relationships that are evident among our students. They are our greatest asset and we look forward to continue working with you as parents and carers to ensure the brightest possible future for our students.

Yours faithfully

S R Lanckham
