November 2024

Dear Parent/Carer

Further to Mr Lanckham's letter to you earlier this week, I am delighted to have been appointed as the new Head of School at Windsor High School and Sixth Form. I am looking forward to working alongside Mr Lanckham in the next part of our school's journey as I take on this privileged position.

Having started my teaching career in 2010, I have had extensive experience in school leadership and what matters to me the most is creating a world-class learning community for your children, who you have entrusted to our care. I am committed to ensuring that every opportunity is given to them to excel and flourish through this chapter of their education.

When I joined the school in April 2022 as Deputy Headteacher; it was clear to me that Windsor High School and Sixth Form is an outstandingly unique school that strives to unlock the academic and personal potential for each and every student. This is not something that is achieved by a single body of people; I was immediately struck by the evident dedication of the staff in our school and the enthusiasm and spirit of your children; they have been a joy to work with over the last two years and I am looking forward to now leading them as Head of School.

From my experience of working in education for several years, I know that a successful and happy school depends on all of us working together. As parents and carers at Windsor High School and Sixth Form, you make an important and exceptional contribution to your children's achievements and I am excited to build on the relationship that already exists between you and the school.

I am very much looking forward to meeting many of you at our upcoming school events as we approach the festive period and into the New Year; please do come and say hello.

Warmest regards

Miss G Raindi
(Head of School)
