Dear Parent/Carer

We are excited to share some fantastic news with you!

Our school has been recognised by Apple as an Apple Distinguished School for the period 2024–2027. This prestigious recognition celebrates schools that are centres of innovation, leadership, and educational excellence, using Apple technology in creative and impactful ways to enhance teaching and learning.

As an Apple Distinguished School, we continue to inspire, imagine, and innovate across our classrooms. This recognition highlights our ongoing commitment to integrating technology in ways that foster engagement, critical thinking, and personalised learning experiences for all of our students.

We are incredibly proud of this achievement, which would not have been possible without the passion of our staff and the enthusiasm and skills of our students and we will endeavour to continue to push the boundaries of what's possible in education to benefit our students and community.

Thank you for your continued support as we strive for excellence in all areas of learning.

Yours sincerely

Mr S R Lanckham
Headteacher
