Please share it with others and inspire them too! You can also [download our app](#) to receive daily nudges and join a supportive community putting these ideas into action.

Extra-Curricular Clubs and Activities

For this half term, we are pleased to once again offer a full and varied list of extra-curricular clubs and activities for our students to participate in.

Clubs are free and all students are welcome to attend as many clubs as often as they wish. There is no need to pre-register so students can attend whichever sessions suit them, giving them the chance to experience a wide range of new things and discover new interests. We look forward to seeing as many of our students as possible taking advantage of these opportunities.

A list of the clubs and activities on offer are noted in the extra-curricular section of our website. Please use the link below:
