

Train with us to teach

Help build the society of the future

About the National Institute of Teaching (NlOT)

The NlOT was set up by four of the country's leading school trusts who have a successful track record in training teachers. The programme accesses national expertise and develop our own research whilst still being locally rooted in schools and communities.

Our teacher training offer

- ✓ **Train with us to Teach:** Train and potentially secure a teaching position in our exceptional schools.
- ✓ **39 Weeks of Immersion:** Gain extensive hands-on experience in professional teaching settings
- ✓ **Learn Today, Teach Tomorrow:** Immediate classroom application of learning.
- ✓ **Expert Mentoring:** Personalised support for your success.
- ✓ **Curriculum with Clarity:** Structured learning that builds your skills progressively.
- ✓ **Research-Driven:** Training informed by the latest educational research.
- ✓ **Nationwide Network:** Be part of a country-wide cohort of trainees.
- ✓ **Aligned with Excellence:** Partnered with the University of Birmingham's PGCE, a stepping stone to a Master's degree, and working in partnership with the NlOT.
- ✓ **Proven Track Record:** We have extensive history of delivering outstanding teacher training.
