**Experience outstanding
opportunities that will
get you to where you
want to be.**

We may be well known for our academic success, but our Sixth Form is about much more than gaining a qualification. You will have more independence and lots of opportunities to have fun and develop new skills with our students' union, clubs and socials.

You can find the right course for you with over 30 courses to choose from, and study using brilliant facilities in our dedicated Sixth Form building. Combined with excellent teaching and student support, Windsor Sixth Form can help you progress to university and your future career.

Why Windsor Sixth Form?

At our Sixth Form, you will progress and succeed. In fact, students at Windsor Sixth Form make the most progress out of all sixth forms and colleges across Dudley!

Whatever your aims and aspirations, we can get you to where you want to be. Our students progress to university and their future careers with almost a quarter of students going on to study at top Russell Group universities.

Our Sixth Form building is for the use of Sixth Form students only and has brilliant facilities where you can study and relax. This includes our gym, science labs, IT rooms and modern classrooms.

A students' union, clubs, socials and trips - during your time at our Sixth Form you will have fun, make friends and enjoy yourself.
