

Windsor High School and Sixth Form

Uniform Policy	
Responsible Committee:	Windsor Local Advisory Board
Policy Co-ordinating Officer:	Deputy Headteacher Student Services
Date adopted by Windsor Local Advisory Board:	March 2023
Next review date:	September 2025

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform / Sixth Form business dress that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform / Sixth Form business dress

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, our school will:

- Avoid listing items based on gender, to give all students the opportunity to wear the uniform/ Sixth Form business dress they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all students.
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back).
- Allow students to request changes to swimwear for religious reasons.
- Allow students to wear plain black headscarves or other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with Form Tutor or Head Of House (HOH), who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform / Sixth Form business dress we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible, for example, by asking that the blazer is plain black and can have the school badge added.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.

- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
