

## **Recovery Premium 2023-24**

### **How we plan to use the funding**

At Windsor we will use the additional funding to support curriculum recovery this academic year in-line with guidance from the Education Endowment Foundation. We have broken this down into three key areas:

#### **1 Teaching**

- High-quality teaching for all
- Supporting remote learning using iPads
- Focusing on professional development

#### **2 Targeted academic support**

- High-quality one to one and small group tuition using the NTP
- Academic tutoring following the NTP
- Planning for all students but particularly disadvantaged students and those with SEND

#### **3. Wider strategies**

- Supporting pupils' social, emotional and behavioural needs with behaviour for learning mentors
- Providing personal potential and enrichment opportunities
- Communicating with and supporting parents
