Equipment needed	Exams take place in art rooms, all resources will be available. Students can bring any of their own specialist equipment they need. Their preparation work/sketchbook must be in school on the first day of the supervised time.
How can I help?	Please use this <a href="#">parent information sheet</a> as a guide- talk to them about their project and the expectations Put the exam dates on a calendar Make sure they keep to the deadlines between now and their supervised time. Make sure they complete at least 1 hour of work outside of lessons each week
