These will be posted on google classroom.</p> <p>Topic checklists for Higher and Foundation</p> <p>A formula sheet (exam aid) is given for Higher and Foundation</p>
Exam dates	<p>Paper 1 - Thursday 15th May Paper 2 - Wednesday 4th June Paper 3 - Wednesday 11th June</p> <p>Countdown</p>
Equipment needed	Black pen, pencil for graphs only, ruler, scientific calculator, protractor and compass.
How can I help?	<p>This link has a clip for every topic in maths (linked to the checklists above) and a set of exam paper style questions with answers.</p> <p>This link will take you to 10 minutes of practice for every day of the year. It has 5 levels to choose from depending on the grade you are aiming for.</p> <p>Use the QLA (Question Level Analysis) topic codes on SPARX maths to work on personalised areas of weakness from the mocks. Students have these in books and we will give out again at Parent's evening! Use your google login.</p>
Guidance and useful links	<p>Exam papers with mark schemes, written out worked solutions and a clip of someone talking through the paper.</p> <p>Online exam paper practice, click on Edexcel then higher or foundation predicted papers, mini predicted papers or mini mocks and track your grade. (I would have paper for workings and you can retry questions you get wrong)</p>
Staff contact	Mrs Finch (WAT Director of maths)
