Themes of study.
(*November Mock exam on all skills)

Resources:

Our students have access to a wealth of resources to use either for revision or homework. Find a list below:

1. Google classroom sourced by the classroom teacher with many useful resources.
2. Their folder, with work, previous assessments and feedback and useful material.
3. Their revision workbook, with exam style questions and answers including, a great independent tool (ISBN: 978-1292132013)
4. Activelearn account provided through the school.
5. Various websites:
[BBC Bitesize](#)
[Memrise](#)
[Seneca Exam revision:](#)

How to revise:

We say that little and often is very good for day to day revision. 15 minutes to do some tasks online, or review the week's classwork is always recommended.

Students can also create flashcards and notes with key verbs and vocabulary.

Redrafting previous work using teacher feedback, this is a fantastic way to improve quickly in a skill.

Attend all revision sessions.
