- Sign in with your username and password (ask your teacher if you are unsure)
- Used for homework and independently

# What should I do if I'm stuck?

- Go to the Corbett maths website and click on videos.
- <https://corbettmaths.com/contents/>
- There is a video, set of practice questions and text book activity for every topic you might need.

## What should I practice?

- Again use the Corbett maths website to work on the 5 a day GCSE 9 – 1 questions. 5 questions at 5 levels for every day of the year with answers.
- <https://corbettmaths.com/5-a-day/gcse/>
